## WHAT IS A TAX CREDIT?

A tax credit is a dollar-for-dollar reduction in the actual tax owed to the State of Arizona. It reduces your tax liability by the amount you donate, up to \$400 for married couples and \$200 for single or head of household. The tax credit can also be taken as a donation on your federal tax return.

## WHAT ARE THE BENEFITS?

There are plenty! You, the taxpayer, get a Tax Credit for supporting our schools. The tax credit donation lets you choose how your tax dollars will be spent. Schools benefit because extra-curricular activities help children develop qualities such as leadership, personal growth and cooperation. They also provide safe, supervised activities for students. Everyone wins!

## WHAT ARE EXTRA-CURRICULAR ACTIVITIES?

Extra-curricular activities are defined as school sponsored activities that require enrolled students to pay a fee in order to participate. Such activities include (but are not limited to): field trips, fine arts, music, and athletics, just to name a few. A list of eligible activities is provided for your use in selecting the school and activity you would like your donation to support.

*Alone we can do so little, as a team we can do so much!*

**Thank you for caring!**

## ADDITIONAL INFORMATION

Because Sahuarita Unified School District must keep strict records of the funds received and report their use to the state, there will be no refunds should you discover that you do not have tax liability to cover the tax credit or for any other reasons. However, you would be able to carry the credit forward for up to five years.

\*All tax credits are non-transferable and non-refundable.
